## *SUPPLYING THE CHILDREN OF OUR COMMUNITY WITH WHAT THEY NEED*

*Our mission is to show the love of Christ to the community by giving children what they need to succeed in school and in life.*

**The Neighborhood Back2School Carnival (NBC)** is a **free** community event designed to supply school-age children, ages 5-18, and teachers with a variety of school supplies while providing them with health

and safety education through the support of churches, organizations, businesses and corporations.

### **Mission**

To show the love of Christ to the community by providing not only children and their parents/guardians, but also teachers with health and safety education, as well as, the school items and supplies necessary for a successful school year.

*The NBC will provide an opportunity for not for profit health organizations, community safety officers and organizations and educational facilities to communicate their message to the parents/guardians and children of Avondale and surrounding communities.*

The 2008 goals of NBC are as follows:

- To help provide each child with an opportunity to have a safe, healthy start to each school year.

- To provide more than 600 children in the Avondale and surrounding

communities with a variety of school supplies and necessities for the school year. In order to qualify, children and parents/guardians must complete the “Obstacle Course of Health and Safety” – free educational activities designed to teach the importance of healthy living (good eating habits), police and fire safety, immunizations and health screenings.

*The NBC is designed to help provide each child with an opportunity to have a safe, healthy start to each school year.*
